Randy:
RTD is in the process of changing the maps that will be attached to the PA to include the Little Makalapa per your planning documents. Also, the language in the PA has been changed to include the Little Makalapa as having an adverse effect from the project. Finally, the FEIS will be modified to include the Little Makalapa as a 4(f)/106 resource.
Jim

Jim,

The only thing I want to make sure of procedurally is that the PA accounts for the effect the rail transit project will have on all of the Navy's Register-eligible historic property. That is, not just the Pearl Harbor NHL and the COMPACFLT HQ NHL, but ALL (excuse caps) of the Makalapa Navy Housing District, which should include the Little Makalapa housing area. So long as there is a clear and explainable answer to what I anticipate will be questions on this from historic preservation groups, then I'm fine.

Thanks for the speedy work on this. We will get you the name and title of a Navy signatory.

Randy Young

John/Randall:

In consultation with the other two signatories, your recommended clause was considered too clunky to add to the Whereas clause. Under 40 CFR 1502.21 the planning document can be considered incorporated by reference.

We have added Navy as an Invited Signatory to the PA.

We will request that DTS modify the attachments accordingly and amend the FEIS for the Little Makalapa Housing Area.

We will forward the final, staff derived, PA for your management review and signature as soon as possible.

Thank you for your input.

Jim

All,
Sorry, forgot to include one last comment. On page 2, in the last whereas clause on the page, where it reads, ".....United States Naval Base, Pearl Harbor NHL; CINCPAC Headquarters Building NHL; Makalapa Navy Housing Historic District; Ossipoff's....", the following clause should be inserted after Makalapa Navy Housing Historic District (as shown in the October 2008 Integrated Cultural Resources Management Plan for all Navy Properties on the Island of Oahu, page 5-275, Figure 3, Character-Defining Features and Zone Boundary for Makalapa Housing Zone). The section should read as follows:

".....United States Naval Base, Pearl Harbor NHL; COMPACFLT Headquarters Building 250 NHL; Makalapa Navy Housing Historic District (as shown in the October 2008 Integrated Cultural Resources Management Plan for all Navy Properties on the Island of Oahu, page 5-275, Figure 3, Character-Defining Features and Zone Boundary for Makalapa Housing Zone); Ossipoff's...."

Please let me know if there are any questions.

All,
Here Are our comments that we sent in previously, and the Makalapa Housing zone map. Please let me know if there are any other questions, or if anything else is needed from us.

Randall:
We are in discussions with ACHP and SHPD this afternoon and we need any recommended word-smithing of the PA as soon as possible.
Please coordinate with Faith on modifying the maps for the Little Makalapa Historic District.
Thanks,
Jim

I think delivery on this may have been delayed, because we just had the call. So good thing that we were all able to call in.

Sorry I was unavailable earlier. Now experiencing computer problems.
Can we meet by phone any time Tuesday to discuss? Will be out until then.
Believe it would be to advantage of City, FTA, and Navy if Navy signed PA.
Can pick up a reply e-mail on Blackberry.

Randy Young
